## **FOR SALE** **(8) Scott Air-Pak 2.2 with spare cylinder**

PVFD has eight (8) Scott Health and Safety 'Air-Pak 2.2' SCBA for sale. These are 2,216# SCBA, each unit has one (1) 30 minute aluminum cylinder included. We also have eight (8) spare 30 minute aluminum cylinders. Four (4) of the facemasks have voice amplifiers. These SCBA are in working order and were in service until the department switched to high pressure 4,500# SCBA. They were manufactured 4<sup>th</sup> quarter of 1998.

SCBA will be sold as a package with SCBA unit and a spare cylinder. We would prefer to sell all eight (8) SCBA and spare cylinders to one department, but would be willing to split them up if necessary.

These would be a perfect fit for a department that has Scott SCBA in service and wants to add more, or a great opportunity for a department to replace older SCBA units.

### **MAKE AN OFFER**

If you have questions or would like more information you can call Chief Gustad @ (605) 680-2637 or email [chief@plattevfd.com](mailto:chief@plattevfd.com)
